

More than 1,420 students were named to The University of Scranton Dean's List, which recognizes students for academic excellence during the 2011 fall semester. A student must have a grade point average of 3.5 or better with a minimum number of credit hours to make the Dean's List. The list includes students from the College of Arts and Sciences, the Kania School of Management, the Panuska College of Professional Studies and the College of Graduate and Continuing Education.

Dean's List students are listed alphabetically by college and year (based on academic credits accumulated).
